The Fayette County Education Foundation 2010 Grant

Dear Fayette County Educators:

The Fayette County Education Foundation Board invites you to participate in our 2010 Grant Application process. It is a privilege for us to make this opportunity available again this year.

In your decision to submit a grant, think extraordinary, or "out of the box" in designing a project that will have the greatest impact on student learning. Imagine what would make an unforgettable instructional experience for students. Remember to read the grant specifics carefully and adhere to the guidelines.

We know that you are working hard to improve student achievement and we want to assist you in providing the best possible instruction for your students. We welcome, appreciate, and will carefully consider all grant submissions. Thank you for choosing to teach in Fayette County.

Sincerely,

The Fayette County Education Foundation Board
